Art Display Awarded the Legg Mason Headquarters Identification.

We're proud to announce Legg Mason awarded us the contract for their new, International Headquarters Identification in Baltimore's "Harbor East." The all glass curtain wall presented some interesting challenges for the installation of these 12' 9" and 10' 9" tall letters but our experienced staff teamed with Trainor Glass and Streuver Bros, Eccles and Rouse to develop a system that meets this challenge and showcases our range of skill sets.

Our "Day and Night" illustration helped our client visualize their sign.

Art Display Co., a leader in signs & graphics since 1947
